PUBLIC NOTICE

Draft Nevada 2020-2022 Water Quality Integrated Report

The Nevada Division of Environmental Protection is seeking public comments on the *Draft 2020-2022 Water Quality Integrated Report (IR)*. The Draft IR is a status report on the quality of Nevada's rivers, streams, lakes, and reservoirs, and has been prepared in accordance with Clean Water Act Sections 303(d)/305(b)/314. Data collected from October 1, 2013 – September 30, 2020 were evaluated to determine whether State water quality standards are being met and beneficial uses are supported. The *IR* is intended as a planning tool for managing the State's surface water resources.

The *Draft Nevada 2020-2022 Water Quality Integrated Report* and accompanying web map are available at:

<https://ndep.nv.gov/water/rivers-streams-lakes/water-quality-standards/303d-305b-water-quality-integrated-report>

Public comments will be accepted until 5:00 p.m., December 31, 2021.

Submit comments by mail or email to:
